Albany Planning Board
200 Henry Johnson Boulevard
First Floor, Suite 3
Albany, NY 12210

Dear Mr. Ellis and Members of the Planning Board:

As long-time supporters of Capital City Rescue Mission, we are in favor of the proposed addition, which will improve the quality of life of the existing Mission guests by providing beds, lockers, more showers, dining room space and more.

This addition also has allocated space for existing guests to use during the day, giving them opportunities for recreation and counseling. This will help them to become productive citizens, and is a safer alternative than wandering the streets.

If you have any questions, you can contact me (my contact information is below).

Sincerely,
